## PRINCIPAL'S MESSAGE

Dear Parents,

Everyone is still on a high today after last night's musical production. The children lifted to another level on stage last night and we are all so proud of them. I am very much looking forward to the production of the DVD of the event and we will have information about order forms to you as soon as possible.

'Imagine a Musical' has been a wonderful community event and I offer my thanks again to all parents, staff and children involved in the production - from set, costume and prop making through to the preparation and ticket sales. We had approximately 1400 people (including the children) in attendance last night. This was true testament to the support that is within our community.

I believe the children have had a wonderful opportunity to experience performance and to understand what is involved in putting a production together. In particular, they have had direct experience in seeing how people have to work together to create something special.

We have decided to have a low key day at school today after all the excitement of last night. There were no awards assemblies today. We will be holding our first Core Values Awards Assembly on Monday morning at 8:45 in the school hall. Information about this event is presented further on in the newsletter.

Please keep your prayers going for our First Communicants. Another two groups will receive the sacrament this weekend.

Finally, we finish school next Friday September 23rd for Term Three. Next week begins the phase in period for Summer uniform. Children may wear Summer or Winter uniform depending on weather conditions. No matter the choice, the children are required to wear full Summer or full Winter uniform, not a mix and match of both. We change over to Summer uniform officially Monday, September 10th - the first day of Term Four.

The staff and I thank you for the part you have played in supporting St John's during Term Three and hope you enjoy having the children home for a couple of weeks.

Best wishes for the week ahead,

Mark Bateman

## CORE VALUES AWARDS – TERM 3

### POLDING ATHLETICS CARNIVAL

On Friday the 9<sup>th</sup> of September, Kevihn J, Andie M, Logan C, and Rory M, went to the Polding Athletics championships to compete in their various events.

Andie ran her heart out in the 100m and made it to the final coming an impressive 7<sup>th</sup> overall.

Kevihn has a strong shot put that went 8.5m, resulting in 11<sup>th</sup> place out of all the Polding 12 year olds.

Logan was in the 800m for 12yr olds. Despite running a PB time, Logan was pipped for third by a measly six hundredth of a second in a photo finish.

Rory was representing our school in high jump. It was exciting to watch how close he came at each height. As the other competitors hit the bar, Rory stayed focused and cleared 1.45m; another personal best. He ended up in third and is through to the All School State Championship.
