Issue No 5– 2nd March 2017

PRINCIPAL NEWS

Dear Parents,

The children attended Ash Wednesday mass (3-6) and liturgy (K-2) yesterday and received the ashes on their forehead as a reminder to focus on Jesus during this season of Lent. The Lenten season will continue through to Holy Week when the children will present the story of the passion, death and resurrection of Jesus. During Lent, we will be encouraging the children in prayer and in exercising forgiveness and reconciliation. We will also encourage strong support for Project Compassion; with our student Mission Team about to launch into action at next Monday morning's prayer assembly. We encourage you to link into Lenten activities at home and check for any classroom links to these on the Class Weebly (<http://stjohnsnarraweena.weebly.com>).

A special note follows to Year Two parents and any other families who may have children eligible to receive Confirmation this year, and for parents in any grade wishing to assist with the sacramental program. Children who have received Baptism and are in Year 2 or older are eligible to be confirmed. We have a large group of children involved this year and we are looking for help from parent facilitators - no experience necessary, just a willingness to help. A letter explaining a session for interested facilitators is attached to today's newsletter. It explains details for this year's Introduction Evening for all children and parents wanting to enrol in Confirmation, as well as an Expression of Interest evening for potential facilitators/ experienced parents who may wish to mentor facilitators.

In other news, congratulations to our Swim Team! They competed yesterday in the annual Northern Beaches Swimming Carnival at Warringah Aquatic Centre and represented our school with pride and tenacity. It was great to see the blue St John's Narraweena swim caps slicing through the water! Best wishes to all swimmers who will be heading to the Mingara Centre at Tumbi Umbi for the Diocesan Swim Carnival next Tuesday.

We hold our first Parents and Friends Meeting next week with our new P&F executive team at the helm. All parents are welcome to attend and details are in the P&F section of the newsletter.

Best wishes for the week ahead

Mark Bateman - Principal

SENIOR STUDENTS AT ST JOHN'S

If you have children in Kinder to Year 4, you may not be aware of the way we have set up our senior school this year. Our Year 5/6 children are combined into 3 'homeroom' Year 5/6 classes with Mrs Lewis (5/6L), Mrs O'Connell (5/6O) and Mrs Doulas and Mrs Fountain sharing a class (5/6DF).

The children also belong to a 'grade' class (2 x Yr 5 and 2 x Yr 6) and they work in their grade class for English and Maths. Ms Ingram (5I), Mrs Douglas and Mrs Fountain (5DF) teach Year 5, whilst Mrs Lewis (6L) and Mrs O'Connell (6O) teach Year 6. All other lessons are held in their 'homeroom' classes.

It's been really lovely to see how well the children have embraced this new arrangement. New friendships have been formed both within grade groups and across the stage. The children are learning skills of being independent, organised and resilient as they move between classrooms and teachers. Whilst there was some apprehension at the end of last year about how this new arrangement would work, all stakeholders (parents, teachers and most importantly, the children!) have been very happy with the implementation. Thank you to all involved and we're looking forward to camp in Week 8 to do some more bonding!

DO YOU REALLY KNOW ENOUGH ABOUT DIGITAL TECHNOLOGY TO PROTECT YOUR CHILD?

Recent studies show that 70% of students are hiding their online behaviour from their parents. This is why most parents feel their children are safe online. But are they? Many parents either don’t want to know what their children are up to online out of fear of what they might find out, or think because they (the parent) use social media and technology that they know enough to protect their children from harm online.

But did you know that children/teens use technology and apps very differently from the average adult? They share different content, and explore the internet in a way most adults do not. Scroll through your child’s Instagram account one day and see what they see! Don’t wait till something goes wrong before you get up to date with your child’s online world.

How Cyber Smart Are You...Really?

Quick quiz:

- Where are the settings to filter out adult content on Google/YouTube?
- Which apps are the worst for cyber bullying and most used by predators?
- Where do you report Cyber Bullying?
- Why do kids love Snapchat so much - is it safe?
- Why is hiding your friend’s list on Facebook essential, & how do you do that?
- Best way to supervise your child online without being seen as spying?
- What is the most effective way to get children to switch off?
- How do you tell if an app is safe or not?
- What are “Yellow”, “Kik”, “Snapchat” and “Musical.ly” and can they be used safely?
- What is a #hashtag and why do you need to know?

If you can't answer these questions, you probably don't know enough about cyber safety to really help protect your child online.

To find out the answers to these important questions you need to attend this “one of a kind” Cyber Safety talk. Leonie Smith “The Cyber Safety Lady” helps parents navigate through the digital minefield with up to date information on the latest online trends and apps.

FREE SESSION with Leonie Smith, the Cyber Safety Lady, at St Rose School Hall on Monday 20th March commencing at 6:30 p.m. This is a 1.5 hour talk plus 15 minutes for Q&A. To RSVP please email srcp@dbb.catholic.edu.au - by Friday 17 March. See flyer for more information.

REMINDER ABOUT MAKING GOOD FOOD CHOICES

A gentle reminder as we begin our school year that at St John’s we do not share our food with others. In general, this is because some children may be allergic to particular foods. It’s also important because parents and guardians are aware of the importance of packing a nutritious crunch’n’sip, recess and lunch for their children and so are packing just enough for their child to keep their brains active for the day! We ask parents to have a conversation with their children to ensure they understand this. Thank you.

ST JOHN'S NARRAWEENA OPEN MORNINGS

Do you have friends or family deciding where to send their children to school next year? St John's is holding Open Days for 2018 enrolments in Kindergarten and other grades. We invite anyone interested in finding out about quality Catholic education. Our Open Days offer an opportunity for families to: meet the principal; participate in student led activities for the children; open classrooms during the morning sessions so visitors can see our school in action. We'd love to show you around!

Tuesday 21st March 9.15-10.30am (and 6.30-7.30pm Information evening)

Tuesday 16th May 9.15-10.30am

IMPORTANT CHANGES TO ADMINISTERING MEDICATION

Parents please note that if your child is needing to have medication administered at school a form is required by law to be filled out by your doctor with the correct paperwork attached to the medicine (by the pharmacy). The form (and medication) is to be brought into the school before our Admin staff are able to administer medication. This does not only apply to prescription medication but includes Panadol, Nurofen or any other over the counter medications.

This is a Diocesan directive and the MEDICATION POLICY FOR DIOCESAN SCHOOLS SYSTEM can be found on our website under News & Events – Notes.

LAST MINUTE TO CHANGES GOING HOME PLANS

Please be aware at times the office may not be able to answer your call, ringing 10-15 mins prior to the bell makes this very difficult. Of a morning it is a good practise to let your children know their going home plans. At times we know are aware of circumstances changing. We endeavour to do our best at all times to notify the class teacher to inform the student of the changes. Thank you for your co-operation.

ATTENTION KINDY PARENTS

We now have two separate boxes in the set-up of Tiqbiz for Kindy. If sending a message, please make sure you are on the appropriate class eg: KB or KJ.

Bush dance 2017 – Saturday 11th March

Yeeee haaaa ... it's nearly here! The annual, unmissable Bush dance is the St John's way of welcoming everyone to the new School year. It's especially the way we love to welcome any new students and families to our community. Entry is free, yummy goodies can be purchased on the night, as well as sizzling sausage sandwiches, (and a big thank you to our Core Values Committee for running the BBQ.) And a huge THANK YOU to the wonderful Year 3 Parents who are working so hard to bring everything together on the night.

Warm regards

School Banking day is now TUESDAY.

Remember, Tuesday is our new School Banking day.

School Banking is also a great fundraiser for our school, raising 5% on every deposit made through the school (to a maximum of \$10 per individual deposit).

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on the next School Banking day. We will issue them with a replacement.

If you are interested in opening a Commonwealth Bank Youthsaver account for your child you can visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account. A School Banking representative will be available at the Information Session to show you how you can do this. In order to verify yourself and your child, you will need your driver's licence and your child's birth certificate, but if you don't have these with you on the day, you can complete verification online at home.

COMMUNITY NEWS

Sacramental Program for Confirmation

Details for the Confirmation program are attached to the Newsletter.

QKR

St John's Catholic Primary School is now using *Qkr* (by *MasterCard*) for making school payments from your mobile phone. *Qkr* will accept payment using **ANY** credit/debit card (except American Express) and has a simple checkout function. No info is stored on the mobile phone. We are encouraging all credit card payments to be completed through *Qkr* particularly for canteen orders, school fees or other special events etc. The instructions for downloading and using *Qkr* are in the Standard Notes on the school website.

Dear Parents,

We are soon to begin preparing our children to receive the Sacrament of Confirmation. An 'Introduction Evening' is planned for children from the Parish of Warringah (St Kevins Dee Why, St John's Narraweena and all children involved from state schools).

The Introduction Evening is considered part of the preparation program. Children AND parents are required to attend at St Kevin's Dee Why at 7:00-7:45 pm Thursday March 23rd, 2017.

The introductory evening will have two key parts:

1. A special liturgy (prayer service) including a 'Commitment Rite' for children and parents.
2. A short information session.

The 'Introduction Evening' will be a time of celebration. The children are beginning a special journey that aims to confirm and extend their Baptismal promises and strengthen the connection they have with their saviour, Jesus Christ. Please note, parents and families unable to attend must contact the Parish Office (phone: 9982 6536) as participants will be required to participate in a 'Commitment Rite'. It is not possible to have a friend attend or collect information or materials on behalf of an absent parent and child.

Call out for Mentors and Facilitators

We have a large group of children taking part in Confirmation this year and we need parishioners and/or parents to help facilitate the program in small groups and mentors who are interested in helping to prepare facilitators. Mentors may be parents or parishioners who have been involved in the program before and are interested in supporting a new parent facilitator.

The Confirmation program involves four sessions of 45 minutes during which children and their parent(s) work through the activities provided. Facilitator notes and step by step instructions as well as any resources are provided each week. Please note there is a meeting for parents interested in being a facilitator or mentor **Thursday evening March 16th in St John's Catholic School Library from 7-7:40 pm.**

Please complete the **Expression of Interest** below if you can come along and/or would like to know more. You can also access an online version of the Expression of Interest at: <https://goo.gl/forms/61XMY03ECEaofEV12>
