Issue No 7-15th March 2018

PRINCIPAL NEWS

Dear Parents

At our beginning of year Information Evenings, you were informed about a change to our parent meeting schedule for 2018. Our three way interviews have been moved from discussing reports at the end of Term Two to touching base and goal setting at end of Term One. Optional interviews to discuss reports will still be scheduled at the end of Terms Two and Four as well. Three-way interviews begin next week and you can book a time to meet with your child's teacher online using www.schoolinterviews.com.au and use the code **d44vq** (bookings close Friday afternoon).

You are welcome to make a time to talk to your child's teacher outside the above times throughout the year. The best way to do this is via the school office by phone or via our email system using sjan@dbb.catholic.edu.au

This is the time of year for parents to be thinking about enrolling children for systemic Catholic high schools (especially if you have child in Year 5) or if you have a child in pre-school aiming to begin in 2019. In our local area, St Paul's Catholic College Manly, Mercy Catholic College Chatswood and Mater Maria Catholic College, Warriewood are calling for enrolments. We welcomed lots of new families to our **Open Morning and Evening** on Monday. It was really nice to see our Year Six students guiding our visitors to classrooms and to have our parent helpers welcoming guests. A second Open **Morning and Evening** will be held on March 29th from 9:15-10:30 am and in the evening from 6:30 pm – 8:00 pm in the school library.

In other news, we are supporting Harmony Day next Wednesday which is focused on promoting the values of inclusion, belonging and connection – themes that have been prominent in communication to you so far this year. I encourage you to read the information below about the day and to do your best to involve your child. This is another way to build a sense of support for our school and the values that are important to us as a Catholic community.

St John's has registered for the **National Day Against Bullying and Violence** which is to be held tomorrow, March 16th. Bullying and violence are never acceptable and St John's has procedures and processes to promote anti-bullying and to deal with issues if they occur. Anti-bullying strategies are taught as part of our Personal Development and Health curriculum and we following the policy and guidelines put in place by the Diocese of Broken Bay. Our own behaviour consequences matrix and our positive behaviour approach help us to provide a consistent approach at our school. The following resources are available https://bullyingnoway.gov.au/NationalDay for you to look through and will be used in our classrooms in coming weeks.

St John's has a School Improvement Plan in place. It centres on three key goals with the highlighted goal linking very much to information in today's newsletter:

- 1. Mission inspiring faith through relevant and meaningful experiences
- 2. Teaching and Learning authentically engaging students in their learning
- 3. Pastoral Care and Wellbeing improving student resilience and wellbeing.

Best wishes for the coming week.

Best wishes for the weekend

Mark Bateman - Principal

IMPORTANT CHANGES TO ADMINISTERING MEDICATION

Parents please note that if your child is needing to have medication administered at school a form is required by law to be filled out by your doctor with the correct paperwork attached to the medicine (by the pharmacy). The form (and medication) is to be brought into the school before our Admin staff are able to administer medication. This does not only apply to prescription medication but includes Panadol, Nurofen or any other over the counter medications.

This is a Diocesan directive and the MEDICATION POLICY FOR DIOCESAN SCHOOLS SYSTEM can be found on our website under <u>News & Events – Notes</u>.

Asthma and Anaphylaxis forms were sent home in week 2 to all children who are have noted they are asthmatic or have anaphylaxis. These forms should be sent back to school **NO** later than Friday 23 March. All children are required to have an epipen and Ventolin at school. Please contact office if your child is no longer asthmatic or anaphylactic.

FRIDAY MORNINGS – 8:45am Kindergarten – Year 2, FRIDAY AFTERNOONS – 2:40pm Year 3 – 6 STRENGTH & GENTLENESS will be presented on MONDAY mornings during Prayer Assembly

SPIRITUAL NEWS

PROJECT COMPASSION

Thank you to everyone who is supporting Project Compassion – at home or at school. If you have a Project Compassion box at home it should be returned to the Parish (or any parish if you are away) at the services

over the Easter Weekend (Good Friday 30th March – Easter Sunday 1 April). If you are unable to make it, you can send it in to school during Week 9 (25th to 29th March).

Well done to Monica, Tamar, Camila and Claudia who baked and sold goodies on the weekend and to Olivia who also baked and sold goodies. I know lots of people have been doing jobs at home to earn money and others have been donating their pocket money. We are very proud of those children going that extra mile to raise funds for Project Compassion.

STATIONS OF THE CROSS

If your family is looking to do something special for **prayer** during Lent, then tomorrow night (16th March) our School is running the

Stations of the Cross in St John's Church from 6:30 – 7:00pm.

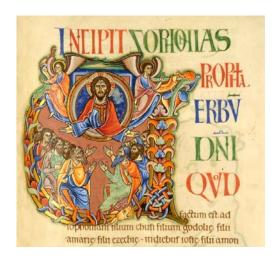

Each Friday in Lent the Parish holds the Stations of the Cross to remember Jesus' journey to the cross. This will be led by the children and we would love to have as many children as possible involved in the liturgy, so if your family can attend, would you please let us know ASAP by clicking on the following link so we can allocate responsibilities. https://goo.gl/forms/8aFvygqekdfegpm02

Each year, the Diocese holds an art competition for all students from Kindergarten to Year 10. In 2018, students are invited to prayerfully select and reflect on a favourite verse of Scripture from the Old or New Testament and to decorate and or illustrate it using a traditional or contemporary form of illumination.

Before the invention of the printing press, bibles were written out by hand! They took a long time to prepare and were greatly prized. Some bibles were made even more precious by the inclusion of 'illumination'. This term comes from the Latin word for 'lit up' or 'enlightened' and refers to the use of bright colours and gold to embellish initial letters or to portray entire scenes. Sometimes the illuminations were purely decorative, but often they worked with the text to help tell the story and enhance the message.

Unlike previous years where children have been invited to enter, this year every student at St John's will be part of the competition. Years 3-6 will be studying illumination, both traditional and contemporary, next term in Creative Arts. Kindergarten, Year 1 and Year 2 will create artwork based on the scripture of their Religion units. Each student will select an art work to be submitted for judging in Wk 7 of Term 2. Three pieces of art in each stage – Early Stage 1 (Kindergarten), Stage 1 (Yrs 1&2), Stage 2 (Yrs 3&4) and Stage 3 (Yrs 5&6) will then be selected for submission to the Diocesan competition.

SCHOOL NEWS

ST JOHN'S OPEN DAY

We had a successful Open Day on Monday 12th March, with a well-attended morning and evening session.

Our Year 6 student leaders are to be congratulated on their role as excellent tour guides – there were compliments from many of the visitors on what great ambassadors they were for our school.

Thank you also to our parents who volunteered to run the information booth.

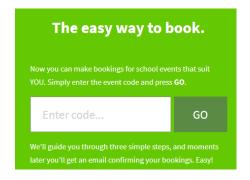

An animoto of the day is up on our school website in the <u>News and Events</u> section, and is also on the home page of the <u>Weebly</u>. Check it out!

Don't forget we have another Open Day on Thursday 29th March. Tell your friends!

Our parent-teacher-student goal setting interviews begin from next Monday 19th March. It is a chance for everyone to touch base with how your child is going so far this year, and to collectively set goals for the remainder of the year.

Interviews are still optional following the Semester 1 and Semester 2 reports. To book in your interview time, please go to

www.schoolinterviews.com.au and use the code d44vq to

enter and follow the prompts. Please record your interview times in your phone/calendar and be prompt to meetings. Thank you.

Bookings will close on Friday afternoon.

NATIONAL DAY OF ACTION AGAINST BULLYING

The children of St John's have enjoyed many moments of relaxation, meditation and mindfulness this week as we celebrate Wellbeing Week, and we hope you have also had some lovely family time as well.

Friday 16th March is the National Day of Action against Bullying and wraps up our Wellbeing Week. Children in the upper primary grades will receive a wristband and information card for themselves as well as their parents with helpful hints and tips and links to support them.

I highly recommend the government's Bullying No Way website for parents and children not just on the National Day of Action, but as a really useful resource at all times - https://bullyingnoway.gov.au/nationalday.

If you have children in **Year 3-6**, please complete the online permission slip for travel and parent volunteers. One form is required for each student. Click here - https://goo.gl/forms/nKrUP6vkVhsMEcrJ3

Call out for volunteers particularly in Year 5 and 6 to help manage teams.

BEFORE SCHOOL SUPERVISION

We offer supervision to our students from **8.15am** every morning. From this time, a teacher is on duty to supervise children as they play before the beginning of school. Children should not arrive at school before this time unless they are enrolled in OOSH (Out Of School Hours) childcare.

We have noticed more children arriving at school before 8.15am. We ask parents to please ensure their child's safety by not dropping them off to school prior to this time OR booking them into OOSH.

Before and After School Care is available on site (in the school hall) at St John's during the school term, and is run by a company called OOSH Northern Beaches. Before school care is available from 7am, and after school care is available from 3pm to 6pm Monday to Friday. Vacation Care is also available during the school holidays.

To download a registration forms go to www.ooshnb.com.au or contact OOSH Northern Beaches on 9984 8089 or email narraweena@ooshnb.com.au

2018 ASSESSMENT DATES

DIGITAL SCIEN TECHNOLOGIES 29 MAY

SCIENCE

SPELLING 13 JUNE

14 JUNE

FNGLISH 31 JULY

MATHEMATICS 14 AUGUST

If you are interested in your child competing in the ICAS assessments, please complete and return the Parent Permission letter attached to this newsletter by TOMORROW. Late entries will not be taken.

Please note – Spelling will be held on Tuesday 12th June (not Wednesday 13th). All tests will be held in St John's library beginning promptly at 8am. Students need to bring their own pencil, rubber and sharpener, and also a ruler for Maths.

ST JOHN'S COLOUR RUN GUESSING COMPETITION

Our Year 3 parents and students are running a guessing competition from Monday next week as part of our Colour Run Cross Country fundraiser.

Children can pay 50c per guess for how many colourful Easter eggs are in the jar (not this one pictured!).

On the day of our cross country (Thursday 5th April), the winning guesser will be announced and will win the jar of eggs!

Guessing will take place before school from Monday 19th March. What will YOUR guess be?

SCHOOL CAPTAINS - BISHOP PETER MEETING WITH SCHOOL CAPTAINS

On Thursday of week 6, the Citizenship team went down to the Lady of the Rosary Cathedral in Waitara and had an experience with the other captains at different schools. We also got to make friends with other school leaders and talk about what they do differently at their schools. Bishop Peter talked to us about who we are. He told us about what we are made from, what we are made for, and what we are made of. The answer to all of these is God.

Later during the day we went to mass in a chapel, it was very interesting and we learned why a chapel is called a chapel. It is because the chair is for when the bishop comes and the chair is called a cathedra. Our own school captain Max sang the responsorial psalm and he was phenomenal. Later we talked to other school captains about how the students at their schools are being missionary disciples of Jesus. We got many suggestions and have many new events planned for our school, it was a very fun and productive day.

Max, Lucinda, Lachlan and Ruby

ECO GARDEN

We would like to thank Wynne, who donated some seedlings for our Eco Garden. The children loved helping her plant the seedlings and we are looking forward to watching them grow!!!

Harmony Day is celebrated every year on 21st March. It is a celebration of our cultural diversity - a day of cultural respect for everyone who calls Australia home.

The day coincides with the United Nations International Day for the Elimination of Racial Discrimination.

The message of Harmony Day is <u>'everyone belongs'</u>, the day aims to engage people to participate in their community, respect cultural diversity and foster a sense of belonging for everyone.

At school we will celebrate Harmony Day with special activities in the classroom, including art, reading stories, listening to and sharing our own family stories.

The students are encouraged to wear *Mufti: Colours of my Country* clothes on Wednesday 21st March. eg. Green and gold for Australia, or the colours of the flag from your country of origin. Alternatively students may wear orange - the colour of Harmony Day.

We are looking forward to a great week celebrating the gifts and diversity of Australia.

HEAD LICE

We have had several cases of head lice across all year groups this term. It would be appreciated if you could check your children's hair regularly and treat accordingly.

TIP- Nit Spritz: 500ml water, 20 drops water soluble eucalyptus oil, 10 drops lavender oil ... in a squirty bottle. Shake well.

WELLBEING TEAM

This week at St John's is Wellbeing week, the wellbeing team have being doing fun activities throughout the school to focus on our wellbeing. Some of the activities that we have been doing are relaxing meditation which links to Relax Kids where we learnt about the Molly the meerkat, Oscar the owl and Ellie the elephant.

Those animals are all a part of our brains. Ellie the elephant stores all our memories and its how we associate with how things make us feel. Molly the meerkat, which is the amygdala, is our internal alarm system. Molly reacts when we feel under threat. Oscar the owl is our prefrontal cortex and he is the most important part of the brain. He is not fully developed till the age 25 and he is a part of the memory system.

The wellbeing team created a meditation to the whole school (after lunch over the PA). We also did mindful colouring which helps with all our worries and stress. We also did reading in the library and nearly everybody came to that - it was a blast!

"Reading to children nearly every day almost doubles their progress to one year ahead of the group."

- Professor Guyonne Kalb, Melbourne Institute of Applied Economics and Social Research, Australia

Monday March 19th is International 'Read to ME Day'. We would like to encourage every parent, grandparent, family member or friend to read to their child whether they are in Kindergarten or Year 6.

If you are available before school from **8.15 to 8.40am** <u>or</u> before the afternoon pick up from **2.20 until 3.05pm** to read to your child with a small group of children please come along to the library and see Ms Sheehan. We can suggest a book for you to read or you can bring along your own book.

To help us plan for this event please click on the link below to let us know your availability.

FAMILY LIAISON OFFICER

URGENT HELP NEEDED

Casserole Club - SOS

We currently have families in the school facing challenging times,

and as a caring Catholic community we are committed to helping those who are in need of support.

The Casserole Club at St John's is a store of frozen meals prepared by parents to be given to those who need a practical helping hand.

At present the freezer is empty.

We urgently need a supply of casseroles, soups, curries, lasagne, or anything that freezes well.

If you are able to help by preparing a meal please ask at the office for take-away containers that can be used. Meals should be labelled with basic ingredients and brief instructions on how to reheat.

Perhaps you could consider making a larger batch of your family meal and putting some aside.

Your help would be greatly appreciated.

Thank you, Jeanie McDonnell, Family Liaison Officer

YEAR 6 GET TOGETHER

Year 6 are having a fun get together this Sunday 18th March at Manly Water Slides.

Slide from 3 - 5pm and then hang around for a Pizza dinner. Cost is \$20 to the venue and \$5 for pizza. Sunday is going to be a hot one so join the fun for one last hurrah to summer! Call or email Chris/Kylie if you have any questions. chrissie hodge@hotmail.com

Park and Walk!

Let's make school drop off a positive experience for everyone!

Is this you?

- Do you ever find yourself in a long queue for 'Kiss and Drop' that snakes across driveways, creeps forward, forces you to double park or creates a dangerous area for children trying to cross the road?
- · Are you frustrated with trying to find a park that's close to the pick-up zone?

Here's some tips, and some challenges

- to make dropping off and picking up your children from school a more positive experience for everyone.
- Park a short distance away and walk your child to and from school.

Your challenge - do you need to park as close as possible to school?

 Park at a nearby playground or park and meet other parents and children for a brief play before walking together to school.

Your challenge - is there a park not far from school where you can meet?

 Consider alternative options to driving, such as car-pooling, walking, cycling or taking a bus.

Your challenge - do you need to drive every day?

What's positive about these options?

- It's good exercise.
- Models a positive and healthy lifestyle to your children.
- Removes additional traffic around the school.
- · Reduces inconvenience for residents.

The P&F Gazette

News and info from YOUR Parents & Friends Association

Its Cross Country time and it's going to be BIG, bright and colourful!

THURSDAY 5th APRIL

@Beverly Job Park

Get ready to dress up in your brightest clothes and sneakers. Add a wig, body paint or rainbow nails if you dare! Go mad! Get creative! (Best dressed will star in the newsletter)

Parents – why not come along and join in the fun? and go a little craaa-aazy too!

The colour run is our annual school fundraiser event – and all funds raised this year will go towards new classroom furniture for our Stage 3 students (years 5 & 6).

There'll be lots of prizes on offer for the feistiest fundraisers - including the class that collectively raises the greatest amount!

Look out for the sponsorship envelopes - they'll be coming home with your child soon!

Please complete the permission form: https://goo.gl/forms/eKxUeSH0taFldaak1

School Uniform Shop Reminder

Open Fridays 8.30 – 9am, 2.30pm – 3pm

Linda has lots of pre- loved uniform items in excellent condition ... and if you're unable to come in on Fridays you can email her at sjanschooluniform@gmail.com for your requirements or any questions.

Class Contact Lists Update

The 2018 Class Contact Lists have now been compiled and your Class Parents will be sending them to everyone who's opted in this week. The Google Form for this has now closed, so please contact your class parents directly if you still wish to be added. These lists are the way your year group can plan social events, so it's great to be involved!

Questions? Comments? Email any time at stjohnspandfassociation@gmail.com

Warm regards

Bel, Pip, Jo, Russell & Caroline

Educational Assessment Australia

2018 International Competitions and Assessments for Schools (ICAS)

Dear Parent,

The University of New South Wales is offering your child an opportunity to participate in the *International Competitions* and Assessments for Schools (ICAS).

ICAS assessments have taken place annually in schools for over thirty years and in twenty countries. Educational Assessment Australia (EAA), who design and deliver the assessments, is the not-for-profit arm of the University of New South Wales.

ICAS:

- is an annual skills development assessment program in key areas of learning for students in Years 2–12; assessments are available in Digital Technologies, English, Mathematics, Science, Spelling and Writing
- gathers performance information through a 30-60 minute supervised in-school test
- provides a continuous, independent and comprehensive record of a student's performance, and maps their development over the full period of primary and secondary schooling
- enables the progress of each student to be mapped in each skill against their previous performance, demonstrating
 personal improvement no matter the starting point
- uses fellow students' results as a reference point; results are mapped against all students sitting at the same year level in Australia
- provides an excellent preparation for national testing
- enables students at all levels of ability to participate; ICAS contains questions designed to specifically explore the abilities of students of all standards this includes those of both lower and higher levels of achievement
- medals are awarded to the top students per state in each subject and year level (when sufficiently meritorious and the test was sat on the official sitting date)
- achievement certificates are awarded to all students at a range of levels:
 - 1. High Distinction to the top 1% of students
 - 2. **Distinction** to the next 10% of students
 - 3. Credit to the next 25% of students4. Merit to the next 10% of students
 - 5. **Participation** to all other students
- results are available to parents and students online; these online reports and analyses remain available indefinitely.
 ICAS reports indicate which questions were answered correctly, compare student performance to that of the other students tested and are highly suitable for inclusion in a student's portfolio for future tertiary entrance or job opportunities
- entries are administered through the school, so teachers can also access the information

HOW TO PARTICIPATE AND PRIVACY NOTIFICATION:

To enrol your child in ICAS, please complete the registration form overleaf and return it, with your entry fees, to your school by **Friday 16th March.** For more information about ICAS go to www.eaa.unsw.edu.au, contact Customer Service on (02) 8344 1010 or send an email to info@eaa.unsw.edu.au

In order to analyse student results over time, we and UNSW Global collect and use data such as student names, year levels, student results, school results and contact details of school staff (ICAS Data). By permitting your child to sit ICAS, you consent to our and UNSW Global's use of the ICAS Data in the manner outlined below *. PLEASE NOTE LATE ENTRIES WILL NOT BE ACCEPTED.

Your child can also prepare for ICAS using Practice Online. Practice Online tests are available for English, Mathematics and Science. Find out more about Practice Online at www.eaa.unsw.edu.au/practice-online

Yours sincerely

Dr Sofia Kesidou Group Executive

Educational Assessment Australia

*Privacy notification: UNSW Global stores, uses and modifies the ICAS Data in order to generate reports, conduct research and analysis, and improve its products and services. UNSW Global will not hold or use ICAS Data that constitutes personal information for longer than 15 years. As the parent or guardian of a student who intends to sit ICAS, you consent to the school collecting the ICAS Data that relates to the student, disclosing it to UNSW Global and to UNSW Global's use of it in the manner outlined above. You also consent to the school assigning this consent to UNSW Global.
