PRINCIPAL NEWS

Dear Parents,

Preparations for our Fathers Day and Special Friends breakfast have been finalised and we are looking forward to welcoming our guests tomorrow morning.

As we lead into our celebrations, I invite your prayers for Ms Rath (our Yr 2 teacher) and her family. Ms Rath's dad, Elwyn, sadly passed away last week and his funeral was held this morning. Elwyn was 94 years old, a loving husband and the dedicated, loving father of 8 children. Tomorrow will be especially challenging for Ms Rath as it will for all of our families who have experienced a similar loss. Hopefully it can also be a time to celebrate the lives and shared gifts of those we love. We also think of God, our Father, and how as parents and teachers we help our children to develop their connections with and understanding about him. A quote from Romans 10:14-15 encourages us in this responsibility as the primary educators in faith: 'How beautiful are the feet of those who bring the Good News.'

This week, we held our Parents and Friends meeting. Minutes will be posted on our website. Part of the agenda included discussion about our hall. I am grateful to our OOSH service, parents, children and staff for the cooperation and support we are receiving while we put alternate arrangements in place due to the hall being unavailable. We are working with the bishop's office, the Parish and the Catholic Schools Office to develop an interim plan aimed at catering for school and Parish needs. I look forward to sharing future plans with you.

Finally, Ms Ingram is coordinating a survey to be completed by parents, staff and children. The survey 'Tell Them from Me' is run by an independent company. The data will inform our plans for the next three years and will give us important feedback about our school. I encourage you to take part when you receive the link. Please see attached PDF parent information letter with an opt-out if they do not want their Yr 4-6 child to participate.

Best wishes

Mark Bateman – Principal

CHILDREN, CARERS AND CARS:

A reminder about the importance of parents, grandparents and carers modelling safe pedestrian behaviour. Children up to the age of 10 should hold an adults hand when crossing the road. Children need to see adults using crossings and cooperating with traffic signs. Let's make the effort to keep our children pedestrian safe.

IT NEVER RAINS BUT IT POURS...

As well as our Gold Coin donations tomorrow, the parish will also be taking up a collection this weekend to support our farmers. However, the parish proceeds will be split between our drought affected farmers and, on the other side of the world, those affected by flood in Kerala, India. A few years ago, we had priests from Kerala here at St John's and Fr Joseph has contacted us to ask us to pray for his community who are currently still cut off by flood waters. Nearly 400 people have died and 800,000 have been forced from their homes amid the worst flood to hit Kerala in a century.

Let's support those in need with our prayers as well as financially.

Speaking of our farmers...well before the drought hit, our farmers have been suffering through the importation of cheap produce. Your choices can make a difference, too! We all know the importance of buying Australian made – perhaps this is another practical way we can help.

WHAT TO BUY

DAIRY FARMERS NEED YOUR HELP PLEASE

#THEDAIRYSHED #MYDAIRY #SUPPORTDAIRYFARMERS

WHAT THE DIFFERENCE?

Australian made and owned dairy is completely Australian. You'll be supporting both local farmers and local business! Some of these businesses are much smaller and only located in specific states or regions.

Australian made products use Australian milk, but the companies that own the brand are based overseas. This is still a great way to support farmers

HOW DOES THIS HELP?

Buying branded products show that you place a higher value on dairy.

FRUIT AND VEG MONTH

Our school has registered for Fruit & Veg Month 2018. The theme for this year is 'Happy Fruit & Veg'tember!'

Fruit & Veg Month 2018 runs for the last 4 weeks of Term 3, Monday 3rd to Friday 28th September.

As part of Fruit & Veg Month, students will be involved in various classroom and school based activities which encourage them to eat more fruit and vegetables.

Health & Physical Education (HPE) Day is a nationwide initiative that highlights the importance of HPE in the Australian Curriculum, and its influence on the learning and development of children. It doesn't matter whether you're a parent, caregiver, teacher or principal - everyone has a role to play in helping young people take a step towards leading healthier and happier lives. Help celebrate the health and well-being of our future generations on HPE Day – it's easy!

At school we will be involved by participating in a some different games and activities and eating our healthy 'crunch'n'sip' snacks in class. How can you get involved? Some suggestions from the HPE Day website (hpeday.com.au) are:

- Encourage children to participate and get them active and involved in the community by visiting a local club or play organised sport
- Instead of heading straight home after school, go to the local playground, park, oval or beach. Fly a kite or throw a Frisbee. Play games like tag, jump rope or hopscotch in the backyard.
- If the weather isn't great, make fun the focus by having a family dance competition inside, visit an indoor swimming pool, or try a new activity such as rock-climbing or mini-golf.
- Teach children new skills to help them be physically active – like how to skip, ride a bike, skating, throwing, catching, or hitting and kicking a ball.
- Walk, ride a bike or skateboard all or part of the way to school instead of taking the car.
- Be a positive role model and show your children how you plan to incorporate physical activity into your daily routine. Take the stairs instead of the elevator. Get off the bus one or two stops early, or take the dog for a walk with the family at the end of the day.

FOOTY COLOURS DAY FRIDAY 7TH SEPTEMBER What is Footy Colours Day?

Fight Cancer Foundation's Footy Colours Day is a national fundraising campaign held during the month of September to support kids living with cancer. Schools, workplaces, groups and clubs across Australia are encouraged to wear their favourite footy team's colours and host an event to raise much-needed funds. Every dollar raised supports Fight Cancer Foundation's education programs to help kids with cancer continue with their education during treatment and recovery.

We will be celebrating this event on Friday 7th September.

Students are invited to wear the colours of their favourite sporting team (AFL, NRL, Union, Soccer, Netball, Hockey etc.) It can be the colours of a team they are part of, or a team they support.

Students are kindly asked to bring a gold coin donation on the day.
