Committee Name	Playgroup
Name of Person Completing Report	Saartje Destoop-Timmony
Notes	<p>Playgroup aims to connect local families to the St John's school by inviting them into our school to meet other local parents and their children. Ultimately we hope to give children and their families a chance to get a feel for the school, which they will hopefully attend in the future.</p> <p>We provide a different themed set ups of play based educational activities. We try to create a joined experience by including all children and their carers during story time when they arrive, as well as sharing our morning tea fruit platter which everyone contributes to.</p> <p>Playgroup is funded by gold coin donation and the P&F when needed. I provide a lot of my own resources as well that I'm happy to share.</p> <p>So far during our first session we had 12 children, last week there were 16 children and their parent or grandparent. Feedback that has been given (at least to me) so far has been positive. People who were there the first time, came back the second time, so hopefully that's a good sign.</p>
