## PRINCIPAL NEWS

Dear Parents and Carers,

Last weekend I attended the Sunday evening mass in my own Parish. It was 6:00pm, it had just started to rain and it was cold, the middle of winter. The attendance for mass that night was quite low, probably for all the reasons mentioned, and it was really tempting to be somewhere else warm and cosy. Nevertheless, it was Trinity Sunday and, invariably, I find there is always something in the Mass that touches me or speaks to me in some way, so I persisted. Once again, I found it did, and I was grateful to have been there.

It is that last thought that has stayed with me this week and it inspired me to do some searching about what the Mass calls for in our lives and the lives of our children. I found the following key messages helpful in coming to an understanding about what adults can convey to children about what the Mass asks us to do once it is finished. After all the Mass is a call to action – every week. It calls us to:

- *Care for people who are in need* – find ways to care for those with less than us.
- *Do what is right* – strive to live the way we have been called to live, despite the temptations.
- *Look after God's creation* - understand and care for the beautiful world in which we live.
- *Understand we are created in God's image* – we all have God given talents, so let's use them.
- *Share with others* – we have so much, how can we share it with those who are in need?
- *Help someone* – Jesus was always aware of those who needed his help, we can do the same.
- *Love others* – even when we find them hard to love, that is our calling!
- *Show kindness* – always strive to show this to others, especially those who others may not be treated kindly.
- *Announce the Gospel* – strive to live what we have heard at the mass we attended.

As parents and teachers, the flip side of communicating the above to our children is actually noticing when they do these things. There are so many times when we see our beautiful children putting these things into action. When we see that happening, it confirms that the Eucharist is alive and well!

Blessings to children from our Parish making their Confirmation this weekend at St Kevin's. A second celebration is planned for St John's Saturday, June 29<sup>th</sup> at 11:00 am.

A reminder that we have parent / teacher interviews being conducted during the final two weeks of school. If you haven't booked a time at this stage, even though the meeting are optional, the code and booking address is as follows

[www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) and the code is **f9n2r**

Best wishes for the week ahead.

Mark Bateman – Principal

### Miss Dunk on leave:

Our beloved Miss Dunk is taking a break to explore the wonders of the outback. She will be away for the final two weeks of the school term. We wish a fantastic break and look forward to the stories. Mrs Tori Jones will be teaching Year 5B in her absence and Ms Liz Rath will be Acting Religious Education Coordinator while she is away.

## Reminder to stop in at the office:

If you are attending school during school hours to visit your child or a teacher, it is expected that all visitors, including parents, report to the school office first. Our administration staff will be able to contact classrooms via our intercom system. It is important we know who is on site and that we minimise interruptions to our class learning times.

## A KIDSUMMER NIGHT'S DREAM

### A Musical Fantasy

This year the children of St John's will be taking part in a whole school musical – **A Kidsummer Night's Dream**. Based upon William Shakespeare's *A Midsummer Night's Dream*, our show is a musical fantasy involving dukes, queens, fairies, workers, a play within a play, and true love winning in the end! Make sure to keep the following performance date –

**Thursday 5<sup>th</sup> September** - free as it's a **one night only performance** at **C3 Church Oxford Falls**. Each class has begun practising their song for the show and our year 6 students have commenced rehearsal for all of the acting parts. It promises to be a wonderful night of singing, dancing and acting! Tickets are now on sale through Trybooking [www.trybooking.com/BDGXP](http://www.trybooking.com/BDGXP)

**Please see attachment at the bottom of the newsletter of our Program Cover Design Competition!**

*A KidSummer Night's Dream is a musical fantasy, inspired by the famous Shakespeare. It will be one of the most spectacular musicals St John's has ever seen.*

*The royal King and Queen are getting married, although they must hear a case of quarrelling lovers first. These lovers must run away to find their true love but no one knows what mischief awaits them.*

*Some workers are preparing a not so spectacular play at the royal wedding and have run into some complications in the process.*

*In the meantime, mischievous fairies, goblins and thunder striking fools are setting off to cause nothing but trouble. No human can see these majestic creatures so they cause far too much mischief and trouble before the royal celebrations.*

## METAPHOR POEMS IN YEAR 6

Please enjoy some of the wonderful metaphor poems created in Year 6 this week:

### Resilience

Resilience is sticky tape  
Fixing mistakes over and over  
Until there are no more breaks

Resilience is a rubber band  
Always springing back  
Ready to do its job once more

Resilience is a submarine  
Always returning to the surface  
When times are tough

Resilience is a maze  
Multiple options and multiple opportunities  
Never the same road

**Resilience** is what makes you, you  
Never give up

*By Charlie and Ethan*

### *Faith*

Faith is my bed  
Comfortable after my mum  
has put on fresh sheets.  
I feel tucked in and looked after.

Faith is like a birdcage  
locked away and forever in your heart.  
You can never let it go.

Faith is Jesus  
guiding us to the right path.  
To trust others and  
believe anything is possible.

Faith is 'you' holding your chin up high.  
Having bucket loads of confidence  
poured all over you.

*By Annie and Brooke*

### Trust

Trust is like opening a present  
you don't know what's inside but  
Decide to open it and rummage through  
And grab what's there.

Trust is a train ride  
with tons of journeys along the way.  
Sometimes you don't end up where  
You had planned.

Trust is a favourite pillow  
You know that you can push it  
And bend it and twist it  
But it is still always comfortable.

Trust is a lion  
Confident to stride through the savannah  
Believing you can do anything.

By Max and Cam

We have a handful of very earnest and excited eco-warriors in our Year 6 class who have started to prepare for the inaugural Northern Beaches School STEM Challenge. STEM is made up of four aspects of the curriculum - Science, Technology, Engineering and Mathematics. It embraces many everyday things and allows us to think about problems and their solutions.

Our Year 6 students have brainstormed problems in our community; 'real world' situations. They have come up with questions for which they would like to find a solution. One group is investigating the option of solar panels for St John's. The other group is investigating how we can do more to protect bees in our daily lives. We will keep you posted with how they go!

### LIBRARY

Each year at St John's we have **a writing competition** which was started in 1999 in memory of Father Vogt who was the Parish Priest at St John's when the church was being built. The children from kindergarten to Year 6 are invited to write a narrative or an illustrated poem (they may enter 1 of each if they wish).

Entries for the competition will be accepted from now until **Monday 5<sup>th</sup> August**. Please see at the bottom of the newsletter for an entry form.

**THANK YOU** to everyone who worked with hands and hearts today.

To all those parents, parishioners and students from year 2 to 6 who helped prepare, cook and package **90 meals** to lighten the burden, heavy on the shoulders of those in our community who are struggling with a sick child, parent, the elderly or just surviving on their own. Thank you most sincerely to those generous parishioners who offered donations so that Wynnie and I could shop for all the ingredients we needed. Special thanks to Wynnie and her sister, Jenny.

The children learned how to make chicken schnitzels and peel and prepare vegies. It was great to have them come and help and experience the joy that actively helping those in need brings. We shared a lot of love and laughter today. Toni Byrne

### **A Big THANK YOU to our outgoing President Bel**

At this term's P & F meeting, our Co-President Bel H announced her retirement from the role.

Bel was our President right throughout 2017-18, and has shared the responsibility with Saartje D this year. In all this time, St John's has had a true champion in our midst – a champion for our students, our school, and our community as a whole.

If you know Bel, you'll know that she's a human light bulb. You'll know that she's passionate, funny, encouraging, thoughtful, logical, practical, energetic, wise, and very, very community minded.

If you know Bel, you'll know that she will put her hand up, give a hand and extend a hand at every opportunity.

If you know Bel, you'll know that she's always thinking, planning, finding a way, suggesting solutions, being positive.

If you know Bel, you'll know that she's pretty amazing at doing all this as well as maintaining family life, career commitments, and a smile.

If you don't yet know Bel, the good news is you have some time – with the twins not yet one, the H family will be at St. John's for quite a while to come!

There are so many of you who make a contribution to our community. You do what you can, when you can; you make such a difference to St. John's. Thank you!

And Bel – on your retirement, we'd like to express some extra special appreciation.

You live the Strength and Gentleness we all aspire to; you have made a difference and we are all grateful.

THANK YOU Bel!
