Issue No 21– 4th July 2019

PRINCIPAL NEWS

Dear Parents and Carers,

This is the final newsletter for Term 2. School will finish Friday afternoon, July 5th at normal time and resume for Term 3 on Tuesday, July 23rd. Monday, July 22nd is a Pupil Free Day as the staff will be attending a day to study the new Personal Development, Health and Physical Education syllabus which is due to be in operation from January 2020.

Term 2 has passed quickly. Appropriately it has finished with school reports and optional meetings with our teachers to discuss pupil progress during the first semester. I hope that reports and interviews have helped you to be able to celebrate the achievements of your child so far. Terms 3 and 4 will open up new learning for them and provide opportunities to build on their current skills and knowledge in each of the Key Learning Areas. During Terms 1 and 2, the teachers have been gradually introducing a culture of thinking into their classrooms which is in line with our goal to *authentically engage the children in their learning*. It is important to learn key knowledge and skills and we believe it is equally important to understand ways of thinking by making our own thinking visible and by looking at new ways to explore and apply thinking. More to come in terms 3 and 4!

Congratulations to all of our children who received the Sacrament of Confirmation last Saturday. The children were well prepared and it was great to them so reverent amongst all the excitement of their parents in the Church. It was also great to have Father Reinaldo conferring the sacrament with the children.

A reminder that there are some opportunities and events coming up in Term 3. We will be holding our annual Grandparents' Day Friday, August 2nd. Our annual Fr Jim McKewon Public Speaking competition with topics presented in recent newsletters will be held early in Term 3. Entries for the annual Fr Vogt writing competition are also open and the annual Bishop's Religious Art competition will be held later in the term with an opportunity for the children to create a short 1-3 minute film on a story told by Jesus in Luke's Gospel will feature this year. Our Athletics Carnival is coming up July 26th at Narrabeen. Of course, our School Musical, "A KidSummer Night's Dream", will be held September 5th and we have already sold about 200 tickets! Well done to everyone who has booked up early. Details for each of these events have been presented in our recent newsletters or will appear today. Go to our website for recent copies of our newsletters and latest news.

My sincere thanks to our wonderful staff for the great work they have done with your children during Term 2 at St John's in the classroom, via our school office, our canteen, with our teacher assistants and our specialist staff in Library, Learning Support and counselling, Creative Arts and PE. I never cease to feel a sense of gratitude for the talent and the depth of care shown so consistently to your children.

On behalf of the staff and I, I wish you and your family an enjoyable Semester 1 break. Many thanks for your involvement with us during the first two terms.

Sincerely

Mark Bateman – Principal

Altar Serving

Our new priest, Father Emman, is organising to provide opportunities to train altar servers. Information will be given early in Term 3 for boys and girls from Years 4-6 interested in this important ministry. Keep your eye on our Facebook page and our website for further information. Children interested in training are encouraged to talk to their classroom teacher. Please see flyer attached at the bottom of the newsletter.

Parish Trivia Night - Christmas in July

CORE VALUES

Congratulations to the fourteen students from St. John's who received their Core Values Award on Monday. A huge thank you to the Mission Team who helped celebrate their achievements.

The beginning of Term 3 brings around our annual Public Speaking competition at St John's.

Preparation for the competition will be a part of the home learning for your child in the first weeks of Term 3, but information and topics are on class pages on our [St John's Weebly](#) for those who can't wait to get started!

The ICAS Assessments series is designed to assess your students' ability to apply classroom learning in new contexts, using higher-order thinking and problem-solving skills. Parents can log in to the Parent Payment System to register and pay for specific tests for their children. All payments will go through the UNSW site, not St John's.

SOMETHING FOR THE HOLIDAYS

Heading on a road trip these holidays? You might be interested in listening to the '[Short and Curly](#)' podcast and getting involved in a family discussion about ethics! Short and Curly describes itself as "a fast-paced fun-filled ethics podcast for kids and their parents, with questions and ideas to really get you thinking. It asks curly questions about animals, technology, school, pop culture and the future." Some of the most recent episodes include "Should parents lie to you?", "When should you stop being friends with someone?", "Should we put GPS trackers on kids?" and "Birthday presents – should we stop giving them?". Hmmm, I can sense some interesting discussions coming up!

GALA DAY
