Issue No 30– 19th Sept 2019

PRINCIPAL NEWS

Dear Parents,

After a beautiful Spring weekend, we were reminded that Winter is not necessarily completely gone with wild weather this week. The children have managed to have little opportunities to get outside and stretch their legs, but have also had to be a bit more creative in their playtime for our wet weather lunches! The weather looks like it will be much better for tomorrow's Cricket Skills Day for our Year 3-6 children!

There have been plenty of moments to celebrate this week. Mr Frazer treated his choir and musicians to a special lunch yesterday to thank them for their great work in the musical, Ms Sheehan has continued the highly successful Secret Book Club which saw them using Mr Bateman's office as their book club location, and amazing learning has continued in all classrooms.

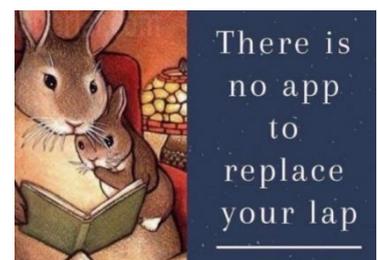

Mrs Blyton, our Year 1 teacher and Maths coordinator, has been working with teachers across the grades. She has taught Kindergarten new Maths games to practice place value as well as their ability to reason and justify their thinking (see yesterday's Facebook/Instagram post), and has been working in Stage 2 to introduce EPMC (Encouraging Persistence, Maintaining Challenge) to our Year 3 and 4 learners. EPMC encourages children to engage with a challenge, to share back and learn from each other, and to justify and reason. Feedback from the children has been very positive - with excited learners who can't wait for the next lesson!

Our Kindy 2020 cohort have enjoyed their second Transition session today (and tomorrow morning). It is lovely to see them develop familiarity with each other, with Mrs Gillett, and with the classroom environment.

Our very own Charlie S from Year 6 is heading off tonight to the Diocesan Public Speaking final at St Patrick's in Asquith. Charlie and Carys represented St John's at the Northern Beaches competition and Charlie won! He will compete against Year 6 students with both a prepared and impromptu speech. We wish him all the best.

We hope all of our families get involved in [#readinghour](#) today! We split the hour into half an hour at school, and half an hour at home. The children and teachers all found cosy nooks this morning to sit and read for a solid 30min! What heaven! I've shared some of my favourite memes around reading on our Facebook/Insta feed today, I hope you've enjoyed. Here's a favourite that suits continuing the reading at home tonight. See the Library News below for more photos from today.

NAPLAN results have been sent home today to our Year 3 and 5 families. It feels like such a long time ago when the children sat these tests back in May, and they have done so much quality learning since then! Overall, our children performed very well and our data is above state average and statistically similar schools. This year is the first year we have moved to an online testing environment - a big change for everyone! The tests had different pathways built in to move between levels of difficulty, so the teachers are looking forward to having more information from NAPLAN in order for us to be able to do a deep dive into the data.

Lastly, it has snuck up on us really quickly, but we farewell our beloved Learning Support teacher, Mrs Vidler, next Wednesday afternoon. Mrs Vidler will be heading off on long service leave for the remainder of the year before her official retirement next year after more than 40 years of dedication to her craft. Mrs Vidler has been a wonderful advocate for ALL of the MANY children and families she has worked with over the years who has had a tremendous impact on us all. She will be sorely missed, but has promised to come back and visit us! We will be holding a special liturgy next Wednesday at 2.30pm in the church. The children and teachers have prepared a few special items to share! We encourage you to come along if you are able!

Enjoy the week ahead,

Natalie Ingram - Acting Principal

2019 Catholic Worldview Photo Competition

Many of us have been learning about creation and our role as stewards of the Earth. What better way to reflect on your learnings than to enter the 2019 Catholic Worldview Photo Competition for Northern Beaches Catholic Primary Schools?

Where do you see God in the world around you? In **PLACES** that you visit, in **ANIMALS** – pets as well as in the wild, in **PEOPLE** around you or in some aspect of **NATURE**. These are the four categories for photographs.

The competition closes on 25th October which is Friday of Week 2, Term 4. That gives you the holidays to be on the lookout for that perfect shot! You can only submit one photo, so you will have to pick your best!

Details for how to enter the competition are attached to the newsletter today.

Core Values Awards Term 3

Congratulations to the following children who have been recognised by their teachers and peers as living out gospel values at our school. They will receive their awards at the Core Values Assembly on Monday 23rd September (Wk10) at 8:45 in the church.

Thanks for a great Parish Family Mass

Huge thank you to everyone who came along to our Parish Family Mass on Saturday night! The children carried out their ministries beautifully and, for the first time in ages, we got to have our sausage sizzle! Special thank you to all the parent helpers who made that happen!

Great connections in Year 4 Learning

Year 4 have been looking at Jesus' hospitality in the gospels. They have researched the word and found out that it is derived from the Latin "*hospes*". Josh B (4W) was quick to notice...if you remove the 'S' you are left with 'hopes'. Jesus' hospitality offered hope to many – and we are called to do the same!

COMPASS - EXCITING NEWS – THE NEW PARENT PORTAL IS HERE!

Last week you should have received an email with information about our new Compass Parent Portal and App, including login details (check your junk/spam folders if you can't find it!).

The new system will enable you to access information online about your child/ren, anytime, anywhere, from any modern web-enabled device.

Initially you will be able to –

- View information on your child/ren's attendance
- Enter explanations for absences
- Receive communications from us
- Update your contact details

If you have not received the email, or have any questions, please let the school office know.

Remember, for late arrivals please use the Kiosk in the office and your child will receive a blue note to take to class. For early departures too, please use the Kiosk and we will organise for your child to come to the office for collection.

Sign up by Friday to go in the running to win an In2Swim voucher for 1 term's swimming lessons (valued at \$240 – thanks to In2Swim Swim Schools in Brookvale!). The winner will be announced via Compass on Friday afternoon.

At the moment, notifications are going out by both Compass and email as we still have some families who have not set up the Compass Portal. As of Friday 27th September, we will only be sending out communications by Compass. Flexibuzz will no longer be used.

MUSICAL VIDEO

Have you purchased your access to our St John's Musical video yet?

Only \$10! Qkr orders close tomorrow!

WASTE FREE TUESDAY

Our SRC are encouraging all students to get back in the habit of 'Waste Free Tuesday' as part of our agenda on caring for God's creation and creating a more sustainable world.

We won't be putting the green rubbish or red recycling bins out on Tuesday – just the compost bins!

Ideally, children are coming to school with waste-free lunches! If not, they will take their rubbish home with them.

"Say no to straws" is an initiative from our SRC as well. They are encouraging the children in their class to either bring their own reusable straws (metal or bamboo are great options) or to say no to a straw when buying a slushy from the canteen and just drink the slushy.

Next term, Year 2 will conduct a waste audit to see just how much rubbish we accumulate here at St John's and what we can do to minimise it. Every little bit helps!

GALA DAYS

Year 3 and 4 will be heading off on Tuesday, and Year 5 and 6 on Thursday to participate in the Northern Beaches Catholic Schools Gala Days. The children will be participating in either cricket, netball or AFL. We hope they have lots of fun and we say thanks in advance to our wonderful parent volunteers who make these days possible!

Costume Working Bee Tomorrow 20th Sept 9am-12pm

Our aim is to re box Imagine the Musical items, tidy the storeroom, re-sort boxes.

This will not be a quick task and we will be looking at future working bees.

If you have time tomorrow morning we would really appreciate your help.

Please find Wendy Jones in the music room to offer assistance. Many hands make light work.

POLDING TOUCH FOOTY CHAMP!

On Monday and Tuesday I went to Penrith to compete in the NSWPSA trials for Rugby Sevens. It was so much fun, our team ended up coming 3rd overall which means we are third best in the entire state. The Australian rugby 7s women's who won the Olympics in 2016, came and they talked to us about the sport I also got my jersey signed. It was an awesome couple of days. I would love to do this in the future. By Andie ☺

STAGE 2 AND 3 CRICKET SKILLS DAY TOMORROW

As Beverly Job Park is closed, the venue for the Cricket Gala Day, hosted by the Sydney Sixes, has been changed. It will now be held at school tomorrow. The kids will be involved in skills development as well as playing some games. All Year 3-6 students will need to wear their sports uniform.

Fruit & Veg Month 2019

Our school has enjoyed being a part of Fruit & Veg Month 2019.

The theme for this year is 'The Adventures of Captain Fruit N Veg!' It's all about linking eating fruit and vegetables with good times, superheroes, superpowers and adventures!

As part of Fruit & Veg Month, students have been involved in various classroom and school based activities which encourage them to eat more fruit and vegetables.

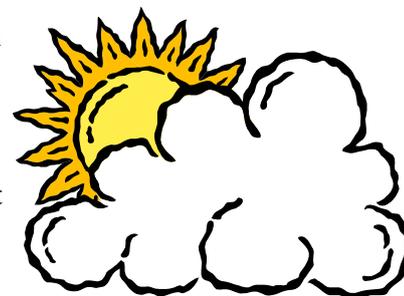

A huge thank you to the Chandler family for donating quality, fresh fruit and vegetables from their vegetable coop 'Box Divvy' www.boxdivvy.com to help us learn all about healthy eating. Please see attached flyer at the bottom of the newsletter.

Keep up those healthy choices St John's!

Mrs Gillett :)

SEASONS FOR GROWTH PROGRAM

The 'Seasons for Growth Program' is offered to St John's children each year. It is a peer support process where young people can explore and understand what happens when they experience significant change and loss in their lives e.g. parental separation, divorce, death or the passing away of someone that they were close to. It is a program that follows the four seasons and it incorporates different forms of learning e.g. prayer circles, reflective art activities, discussions, dance, singing etc. Children learn about change and how this is a natural part of life and that there are others who often experience similar changes.

The Seasons program will be run during Term Four for a period of eight weeks. It is run by parents and teachers who have received special training in the use of this program. **It is recommended that the program be offered to the children a year after the loss.** If you think your son or daughter (Year One to Year Six) would benefit from the 'Seasons' program we would encourage you to talk to them about this. Should he/she decide to participate please contact Liz Rath at school by Thursday 26th September.

This morning we STOPPED and read for half an hour as a part of Australian Reading hour. The students enthusiastically participated in this event and some classes joined together to read with a reading "buddy." Many thanks to the parents who came in to participate and to the teachers and students for their participation too.

This year's book week theme is 'Reading is My Super Power'. For adults and children alike, reading can be a powerful secret in improving the quality of your life. Each week this term I will publish one of ten reasons a group of librarians thought reading is a secret power. Feel free to visit the library or send me an email with your own reasons.

9. Reading offers an escape from the daily grid.

It offers a place to retreat and experience another reality.

2019 Ipswich District Teacher-Librarian Network.

Secret book Club

This term, students have had the opportunity of signing up for the secret reading club held in a different location each week. They then receive an invitation letting them know where to meet. They spend the eating time of the lunch hour reading silently. Can you guess where we met this week?

Book Covering

We have lots of new books which need covering. If you are able to help us out I can send home a bag with the contacts and books for you to do at home or you are welcome to cover some in the library.

GRADUATION SIGNATURE ITEMS

We will be organising Graduation Bears and Soccer Balls for Yr 6 Students as a reminder of their time at St John's. These are now available to order on Qkr until the 8th Nov. It is not compulsory for students to purchase a signature item.

Compass Parent Guide

Compass is a web-based student management system which you can access in two ways:

- the Parent Portal, on any web browser on your computer/device, or
- the Compass School Manager app, available on any mobile device.

Instructions for using both the portal and the app are included below.

Each parent/carer will receive a unique login username and temporary password via email. You will be prompted to change your password when you first log in. It will also ask you to verify your mobile number and email address. We encourage each parent to log in and see your children's school activities, attendance, achievements, school communication and news.

Please note that the login letter was sent to the email address registered in the school's database. If one email address is connected to both parents, then this parent will receive two login letters.

If two emails were received to your email address, please ensure you check the name on the top of the letter and login individually using the respective login details to access Compass.

Adding an Attendance Note:

If your child is going to be away for a **FULL** day in the future, please follow these instructions. For partial day absences/late arrivals, please use the kiosk at the front office.

If you are adding an attendance note for a day passed, please access Compass through the 'browser view' and click on the link above the newsfeed. This will automatically fill in the required date information, you will simply need to add a reason.

- a) On the home page, click 'Add Attendance Note'
- b) In the next screen, click on 'Reason' and choose the option that best describes.
- c) Look at Start Date and End Date to ensure it is correct. **DO NOT** worry about the times, leave as they are. You also do not need to worry about 'Missed' – this is simply the sessions missed by the stated absences.
- d) Click on blue bar 'Add Attendance Note'.
