A shout out to any parents who are able to contact new books. Please come into the library and grab a bag or reach out to our librarian via the office.

### Uniform

Reminder that all students should now be in full winter school uniform.

### National Walk Safely To School Day-

Next Friday, 20 May is National Walk Safely to School Day. Families are encouraged to take time to walk from home, drive a park a couple of blocks away, and enjoy the final stroll into our beautiful school grounds. This initiative supports positive daily physical activity opportunities, as well as building understanding and experience around road safety. We look forward to see as many children and their families walking to school next Friday!
