

## St John's Happenings- Week 7

### Wellbeing Week

Next week is Wellbeing Week, time for everyone to slow down and enjoy some family time together. There will be no homework next week, except to continue reading.

As a part of Wellbeing Week, we will also be holding a fundraising initiative on **Friday 17th June**, to support two Catholic schools effected by the floods earlier this year, St Joseph's Woodburn and Our Lady Help of Christians, Lismore.

The children are asked to **bring gold coins** to cover a large chalk motif of the word 'HOPE' which will be created on the playground. They are allowed to wear mufti to school, ensuring they are appropriately dressed in warm clothes and close toe shoes, such as joggers/runners.

We look forward supporting these two communities as they begin to rebuild.
