Announcement Re: Exciting News: Announcing Our New Senior Co-Education Cohort for 2025

We are excited to share some exciting new developments with you. Due to community interest, starting in 2025, along with Year 7 & 11 we will now be welcoming Year 10, 11, and 12 students into our inaugural **senior co-education cohort**. This change aligns with our vision and mission to provide enriching, inclusive, authentic Catholic educational experiences delivered with care and compassion as we journey together toward excellence.

As part of our commitment to enriching opportunities for both current and prospective students, we are expanding our co-curricular activities. From sports to arts, leadership programs to community service, we are enhancing our offerings to provide additional opportunities for personal growth and development.

In addition to expanding our co-curricular opportunities, we are also enhancing academic offerings with the introduction of the **Year 10 Accelerated HSC Program**. This program will allow students to fast-track their learning and get a head start on their HSC, ensuring they are well-prepared for tertiary education and future careers.

We believe this new initiative will only enhance the current culture fostering inclusivity and support, creating a welcoming atmosphere where every student feels valued and supported. Our new senior cohort will enhance students' preparation for the real world, offering an inclusive environment and enhanced learning experiences.

Key Benefits of Our New Senior Co-Education Cohort:

- **Faith & Wellbeing:** Authentic Catholic education delivered with care and compassion, fostering a supportive community. Along with enhanced Social Justice initiatives and youth opportunities amongst our community.
- **Real-World Preparation:** Co-education mirrors the real world, fostering respect, teamwork, and collaboration.
- **Inclusive Environment:** We create a balanced and diverse community where all voices are heard and valued.

- Enhanced Learning: Co-educational settings promote different perspectives, enriching the learning experience.
- Tailored Academic Support: Our dedicated Key Learning Areas (faculties) offer personalised guidance to help every student excel, including Diverse Learning and Gifted Education support.
- Advanced Academic Programs: Access to a wide range of subjects and specialised courses, including the Year 10 Accelerated HSC Program.
- Expanded Co-Curricular Activities: Numerous opportunities for personal growth through sports, arts, leadership programs, and community service.
- Senior learning hub; study space for both individual and group work
- Engagement Opportunities: Participate in events, open days, and information sessions to connect with our community and learn more about the co-educational experience.

To enquire about enrolling in the Senior Co-Education Cohort for 2025, please contact our school Enrolment Registrar at stpauls@dbb.catholic.edu.au.

Additionally, we are now accepting enrollment applications for Year 7, 2027. For more information, please reach out to us.

On behalf of the staff at St Paul's Catholic College, we are looking forward to embarking on this new journey together and are confident that these enhancements will only provide further opportunities and educational experiences for all students and staff, current and future.

Kind Regards

Mark Robinson
